SPA ESSENTIALS 24hr AGE REPAIR HYDRATING BODY SERUM

The Sanctuary Spa has brought out the perfect addition to its Spa Essentials Bath and Body range with the must-have product of the summer, the 24hr Age Repair Hydrating Body Serum. This fabulous, lightweight body treat not only guarantees to secure your skin with a 24 hour moisture burst, but is also great for combating the signs of ageing.

Containing a host of beneficial ingredients from skin softening sunflower oil and moisture locking vitamin B3 to nourishing shea butter and advanced active complex Hydractin™ - these are cleverly combined to work together and provide:

Locked in moisture for 24 hrs

Intense moisture boost

Promotes cell turnover

Leaves beautifully scented skin

More luminous & even skin tone

Reduces fine lines & wrinkles

Re-create your very own sumptuous spa experience at home. Smother your skin daily with the serum for maximum results - used over time skin will appear more even and toned.
